Overlooking the resort's stunning reflective pool and lush greenery, **Vista** offers a spacious alfresco terrace connected to an indoor event space with floor-to-ceiling windows, making it the perfect venue for guests seeking an airy, tropical atmosphere.

Beyond the function rooms, **MGM Theater** - a dynamic space that can transform into over 10 different configurations with the press of a button - will become Macau's most innovative space, redefining the way guests experience events and entertainment. This versatile venue can accommodate up to 2,000 guests and has 180 degrees of 4K LED screens to showcase a brand or highlight an event.

Complementing the state-of-the-art meeting spaces is the resort's team of talented culinary experts. Globally-acclaimed chefs Mauro Colagreco, Mitsuharu Tsumura, Graham Elliot and Janice Wong are at the helm of culinary adventures at MGM COTAI, together with the resort's catering team, to delight guests' palates and enhance any occasion.

Unwind in Luxury

After a day of meetings, guests can relax and re-energize at the resort's 1,390 guest rooms. It includes unique design elements, for example some will feature a digitally

animated pool table to create an eccentric entertainment experience. Also there are two sets of art collections, themed “If You Can Dream” and “New Ink New Language” encompassing works by world-renowned artists such as Andy Warhol and Ma Desheng, will be featured in selected Skylofts.

Skylofts combine spectacular design, dramatic views and unparalleled personal service. Skylofts’ guests will have access to the exclusive **Sky Lounge** located on the 33rd and 35th floor atop the hotel’s North Tower, with dedicated check-in and private concierge service.
