MGM Hosts “Haircut for Love” for Third Consecutive Year

Volunteer Team Members Complete Professional Grooming Courses and Served 500 Senior Citizens since Inaugural Event

[August 3, 2016, Macau] Organized for the third consecutive year between July 27 and 29, a group of 30 MGM Volunteer Team members set out to care homes located in different parts of Macau, namely Lar de Cuidados Sol Nascente da Areia Preta, Centro de Dia Brilho da Vida, and Centro de Dia de Mong Ha da Federacao das Associacoes dos Operarios de Macau, to offer free haircuts to 160 senior citizens, giving them new and refreshing makeovers.

Established in 2015, the MGM Volunteer Haircut Team of 34 team members has provided free haircuts on a monthly basis, benefiting 500 senior citizens with positive response from all sectors of the community. To encourage more team members to join the meaningful course, MGM has invited professional hairstylists from the Hair & Beauty Professionals Association of Macau to provide training for our Volunteer Team including management team members, to acquire hairstyling skills during their spare time for over two months. Department heads who were unable to take part in the training took the initiative to become models for others to practice their techniques, which is also a reflection of MGM’s team spirit to giving back to the community together.

A total of 30 Volunteer Haircut Team members of different departments and ranks took part in the “Haircut for Love” event, held for the third consecutive year. With the aim to serving more members from the community, we have extended the haircut service to two additional charitable organizations, where our volunteers took care of senior residents with health and mobility impairments. The volunteers greeted the seniors to interactive games, while others chatted with them to show care and compassion.

The Volunteer Haircut Team has received positive feedbacks from the beneficiary units for their service, while the organizations expressed a hope for more similar activities from the community to benefit more seniors as most of the elders rarely visit the hair salons due to financial circumstances, or mobility reasons.

The “Haircut of Love” was part of MGM’s fourth Community Care Campaign, which ranged from giving haircuts for the seniors, culinary fun day with the mentally disabled, to renovating walls of dormitory rooms for youth, held between July 18 and 29. With the objectives to spread love and compassion to the local community, MGM and the Golden Lion Team will continue to host a range of community activities that help create a better tomorrow for Macau.
